

Rehabilitation Services

Brought to you by Liberty Risk Reduce

At Liberty Specialty Markets we recognise that employers actively look to support their employees when they have been injured at work. That's why we provide our users with free access to Corporé's early intervention Rehabilitation Service via our Liberty Risk Reduce Portal. It can be a stressful time for all concerned when an employee is injured. Our service can help you obtain an early referral to access fast track treatment.

What are the benefits?

- Reduces the length of costly sickness absence to your business
- Mitigates the cost of personal injury claims
- Provides reassurance, advice, education and, where clinically appropriate, treatment to help the employee manage their injury and hasten a sustainable return to work
- Makes the employee feel valued and supported
- Helps your business to understand the condition and support the employee as part of their recovery

How to sign up?

To find out more how Corporé can support you and your business, contact your Customer Relationship Manager or Risk Engineer. You can also reach the team at riskcontrol@libertyglobalgroup.com

For more risk control guidance and resources, visit www.libertyriskreduce.com

Our risk control services are advisory only. We assume no responsibility for management or control of customer safety activities nor implementation of recommended corrective measures. This document provides a general description of this program and/or service.
