

# Liberty's Learning Management System

Brought to you by Liberty Risk Reduce

Liberty Specialty Markets recognises that employers are investing in continual training for their employees. To support our clients, we provide users with free access to the Liberty Learning Management System (LMS), via our Liberty Risk Reduce Portal.

We provide an ongoing range of online self-paced training courses that have been designed and developed by our Risk Engineering and Claims teams. The selection includes sector-specific and generic courses that can support all businesses. You can also tailor our courses to your own bespoke requirements.

## What are the benefits?

- Access to a growing library of generic health, safety, wellbeing, loss prevention and risk management training courses
- Ability to transfer your existing paper-based or otherwise decentralised training courses onto a single platform
- Work with your Customer Relationship Manager or Risk Engineer to introduce new training courses into your business
- Training courses are accessed online and are optimised for desktop and mobile platforms, so you can access them easily whenever you need them
- Improved claims defensibility prospect by capturing and recording relevant training that can be readily exported in the event of a claim
- The training courses are intuitive, simple to use, and user-friendly

## How to sign up?

To find out how our Learning Management System can support you and your business contact your Customer Relationship Manager or Risk Engineer. You can also reach the team at [riskcontrol@libertyglobalgroup.com](mailto:riskcontrol@libertyglobalgroup.com)

For more risk control guidance and resources, visit [www.libertyriskreduce.com](http://www.libertyriskreduce.com)

Our risk control services are advisory only. We assume no responsibility for management or control of customer safety activities nor implementation of recommended corrective measures. This document provides a general description of this program and/or service.
